Since 1993 the American-Uzbekistan Chamber of Commerce (AUCC) has been at the forefront of advancing trade and business relations between the United States and the Republic of Uzbekistan. For the last twenty-five years AUCC has been a vigorous advocate of the views of the business community to ensure that private sector positions are considered during the development of policies that impact American businesses and the future of U.S.-Uzbekistan relations.

This year, AUCC is honored to accept the Uzbek Government's invitation to hold the **U.S.-Uzbekistan Annual Business Forum** on **October 23, 2018** in **Samarkand, Uzbekistan**. Samarkand, Uzbekistan's second largest city, has an important history along the ancient Silk Road and is rich in fascinating architecture. In 2001, it was added to the UNESCO World Heritage List.

The Business Forum offers timely and effective means for U.S. firms to engage with key stakeholders and enter promising Uzbek markets. We invite all interested American companies that would like to explore business opportunities there to join our delegation. For more information on the forum and the application form, please call us at **202-509-3744** or email **info@aucconline.com**.
