ITA leads the Federal Government's efforts to support U.S. job creation through trade and investment. We help American companies export their products and services, fight for market access globally, monitor and enforce our trade agreements, administer our trade laws, and work with state and local economic development organizations to attract foreign investment. ITA is located in more than 100 U.S. cities and more than 70 countries worldwide. ITA provides on-the-ground assistance worldwide—just a phone call or email away.
