CS ADB
April 2016

ASIA & PACIFIC: PROCUREMENT NOTICES FOR FOREIGN GOVERNMENT TENDERS

This Foreign Government Tenders report from the US Commercial Service Asian Development Bank Liaison Office (CS ADB) augments our series of regular monthly reports that give U.S. exporters advance information on Asian government tenders. This report covers advance and ongoing procurement, as well as recruitment of consultants for projects that are funded by the ADB.

U.S. firms may submit their bids directly to the executing agency listed on the procurement notice. Details of the bidding procedures are stated in the Bidding Documents issued by the executing agency or otherwise stated in the procurement notice.

U.S. firms are encouraged to keep in contact with CS ADB, especially if they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director (US/ED) to the ADB to increase American awareness of and participation in ADB's procurement activities.

Attention: Ms. Margaret Keshishian, Director/Senior Commercial Officer

I. INSTITUTIONAL PROCUREMENT NOTICES

Institutional Procurement Notices are notices for the Asian Development Bank's internal requirements for various goods and services. For advance notices, visit <http://www.adb.org/site/business-opportunities/institutional-procurement-notices>

ASIAN DEVELOPMENT BANK

A. Janitorial Services

Invitation to Bid

Deadline for Submission: **10 May 2016**

The Asian Development Bank (ADB), a multilateral development finance institution headquartered in Manila, Philippines, wishes to receive bids from eligible bidders for the Janitorial Services at ADB Headquarters (Services).

The Services shall cover deployment of skilled personnel, appropriate tools, equipment, transportation, materials and supervision in accordance with the policies, standards and procedures established by ADB.

Only eligible bidders with the following key qualifications should participate in this bidding:

- (a) Be from ADB's eligible member countries and shall be deemed to have the nationality of a country if the bidder is a citizen, or is constituted, or incorporated, and operates in conformity with the provisions of the laws of that country;
- (b) Have an independent legal existence as a validly registered company, or a joint venture partnership (under joint and several liability), for at least five (5) years with a specialization in providing Janitorial Services;
- (c) Have at least one (1) contract of similar scope of work as required by ADB of at least Pesos Ten Million (Php10,000,000);
- (d) Have at least two (2) contracts in the last five years with similar scope of work as required by ADB with annual cost of at least Pesos Ten Million (Php10,000,000) each;
- (e) Have a sound financial and credit position for the past three (3) years (2012 to 2014). As a minimum, the Bidders net worth/total equity calculated as the difference between total assets and total liabilities should be positive;
- (f) Have not been under a declaration or record of ineligibility for corrupt and/or fraudulent practices issued or kept by ADB; and
- (g) Past performance of services at ADB (if applicable) will be taken into consideration as part of the bid evaluation.

Contact: Olivier J. Leonard, Unit Head,
Procurement and Contracts Administration, Office of Administrative Services,
Jojo Tiangco (632-5437) or Michael Albano (632 5437)
Tel: +63 2 632 6755 / +63 2 632 4302; Fax: +63 2 636 2577 or +63 2 631 6899

B. Operation and Maintenance of CCTV and Electronic Access Control Systems

Invitation to Bid

Deadline for Submission: **6 May 2016**

The Asian Development Bank (ADB), a multilateral development finance institution headquartered in Manila, Philippines, invites interested parties for the bidding of Operation and Preventive Maintenance of CCTV and Electronic Access Control Systems at the ADB Headquarters.

The successful bidder will provide ADB with the most reliable and efficient services with the deployment of skilled manpower, equipment, materials and supervision in accordance with ADB's policies, instructions, standards and procedures.

Bidders must:

- (i) Have the nationality on eligible country in accordance with the List of ADB Member Countries. A Bidder will be deemed to have the nationality of a country if it is constituted, or incorporated, and operates in conformity with the provisions of the laws of that country;
- (ii) Be a company with at least five (5) years of continuous experience in providing CCTV and electronic access control operations and maintenance services;
- (iii) Have an independent legal existence as a valid registered company for at least five (5) years;
- (iv) Have a sound financial and credit position for the past three years (2012 to 2014). As a minimum, must have at least an average revenue of Thirty Million Pesos (₱30,000,000) over the last three years and a positive working capital; and
- (v) Have not been sanctioned nor be ineligible to enter into transactions with ADB or any other multilateral development bank or institution.

Contact: Olivier J. Leonard, Unit Head,
Procurement and Contracts Administration, Office of Administrative Services,
Tel: +63 2 632 6755 / +63 2 632 4302; Fax: +63 2 636 2577 or +63 2 631 6899
E-mail: malbano@adb.org; and sdiano@adb.org

C. Supply, Installation and Preventive Maintenance for Security Screening Equipment

Invitation to Bid

Deadline for Submission: **3 May 2016**

The Asian Development Bank (ADB), a multilateral development finance institution headquartered in Manila, Philippines, wishes to receive bids from perspective bidders for the Supply, Installation and Preventive Maintenance of Security Screening Equipment (Services)

The successful bidder (herein referred to as 'Supplier') shall supply ADB with the most reliable security screening equipment and efficient Services as set forth in the Work Performance Statement (WPS) [Appendix 1], through the deployment and supervision of highly skilled and trained engineers/technicians/professionals who will provide operational and maintenance support for the supplied Goods within ADB Headquarters, in accordance with the policies, standards and procedures established by ADB, for a period of five (5) years, comprising of a 2-year warranty from date of installation and acceptance of ADB, and a 3-year preventive maintenance service after the warranty.

Bidder must:

- (i) Have the nationality of an eligible country in accordance with Appendix 13 – List of ADB Eligible Member Countries. A bidder shall be deemed to have the nationality of a country if the bidder is a citizen,

- or is constituted, or incorporated, and operates in conformity with the provisions of the Laws of that country;
- (ii) Have a sound financial and credit position showing on an average, a positive net worth for the past three years from 2012 to 2014;
 - (iii) Have an independent legal existence as a validly registered company engaged in the supply and installation of security screening equipment for at least five (5) years;
 - (iv) Must be a certified distributor of the security screening equipment to be supplied under the Contract;
 - (v) Have installed a minimum of twenty five (25) units each with similar brand of X-Ray Machines and Walk-Through Metal Detectors locally (in the Philippines);
 - (vi) Have a minimum pool of five (5) qualified engineers/technicians that could perform the preventive and corrective maintenance for the X-Ray Machines and Walk-Through Metal Detectors on-site (ADB premise) at any given time;
 - (vii) Equipment to be supplied should meet all mandatory specifications of the X-Ray Machines and Walk-Through Metal Detectors;
 - (viii) Must be able to warrant the availability of Spare Parts of the equipment for a minimum of five (5) years; and
 - (ix) Must be able to demonstrate a comprehensive maintenance plan that complies with the minimum prescribed maintenance specified in the Work performance Statement (WPS).

Website: <http://www.adb.org/sites/default/files/page/166862/invitation-bid-security-screening.pdf>

II. ADVANCE PROCUREMENT ACTION

Advance action is an early procurement done by the borrowing government prior to ADB's approval of the related financing agreement.

CHINA

Hunan Dongjiang Lake Integrated Environmental Protection and Management

Brief Project Description: The proposed project will be implemented in the Dongjiang Lake basin in Zixing City, Chenzhou Municipality, Hunan Province. The project will introduce an integrated approach to address the current constraints in lake environmental protection and livelihood development. The impact will be the achievement of sustainable economic development of the Xiang River basin in Hunan Province. The outcome will be the achievement of integrated environmental protection in Dongjiang Lake basin. The project will include five outputs: (i) improved pollution control, (ii) establishment of urban-rural water supply system, (iii) rehabilitated river course, (iv) establishment of integrated ecosystem rehabilitation and management established, and (v) strengthened environmental and project management. The Zixing City Government (ZCG) will be the executing agency of the project. The implementing agency will be the Zixing City Urban and Rural Environmental Protection Investment and Financing Center (ZIFC).

Package No. Description:

- W1-WW1 Wastewater Treatment Plants (WWTP) and Sewer Networks for Six Towns, and Solid Waste
- W1-WW2 Village WWTP and Sewer Networks for Bailang and Dongping Towns
- W1-WW3 Village WWTP and Sewer Networks for Liangping, Longxi and Qingyao Towns
- W1-WW4 Village WWTP and Sewer Networks for Chukou, Huangcao and Qingjiang Towns
- W1-WW5 Village WWTP and Sewer Networks for Dongjiang and Zhoumensi Towns

Executing Agency: Zixing City Government, Zixing City, Chenzhou,
Hunan Province, People's Republic of China

BANGLADESH

South Asia Subregional Economic Cooperation (SASEC) Chittagong-Cox's Bazar Railway Project Phase 1

Brief Project Description: The project will support the government of Bangladesh in constructing the new, 102 kilometers (km) Dohazari–Cox's Bazar section of the Chittagong–Cox's Bazar railway corridor. The government of Bangladesh is upgrading the 47 km section Chittagong–Dohazari with its own funds, which is expected to be completed in 2016/2017.

The Chittagong–Cox's Bazar railway corridor is part of the Trans-Asia Railway network. The project will also strengthen the capacity of the railway sector in project management and implementation. By connecting the Cox's Bazar District in the southeast of Bangladesh to Chittagong, the project will not only boost the national economy through further development of Cox's Bazar into a major tourist destination, but also facilitate access for the population and products from Cox's Bazar district to subregional markets and trade.

The project has been endorsed by the SASEC trade facilitation and transport working group meeting held in Tokyo on 26 November 2015.

Brief Description of Works and Consulting Services to be procured:

Package Number: W-1

General Description: Construction of 102 km of new railway line including earthworks, bridges and culverts, stations, signaling system and all related works

Estimated Value: \$1.2 billion

Package Number: CSC

General Description: Construction Supervision Consulting Services for package W-1

Estimated Value: \$67 million

Package No.: PMC

General Description: Project Management support services for Bangladesh Railway to implement the project

Estimated Value: \$13 million

Contact: Mr. Mohammad Moqbul Ahamed, General Manager/Project Director

Address: Central Railway Building (CRB), Chittagong, Bangladesh, Bangladesh Railway

KYRGYZ

Toktogul Rehabilitation Phase 3 Project

Brief Project Description: The project aims to: (i) complete the rehabilitation of the Toktogul hydroelectric power plant (Toktogul HPP) by replacing two remaining turbine-generator units and refurbishing Toktogul dam civil structures, (ii) overhaul the dam monitoring system across five dams along the Naryn cascade, (iii) continue the public information campaign to educate the public about the recent sector reform that started in Power Sector Rehabilitation Project (Phase 1), (iv) conduct financial audit and business operations assessment on all state-owned power companies to improve operational performance, and (v) implement a management modernization program based on the audit recommendation for the Open-Joint Stock Company, Electric Power Plants (EPP).

Brief Description of Works and Consulting Services to be procured: A total of three turnkey packages (Toktogul rehabilitation, civil structure refurbishment, and dam monitoring system) will be procured under International Competitive Bidding (ICB) procedures in accordance with Asian Development Bank's Procurement Guidelines (2015, as amended from time to time).

Consultants for business process assessment and management modernization, entity financial audit, public information program, project financial audit, and project management will be recruited in accordance with The Guidelines on the Use of Consultants by the Asian Development Bank and its Borrowers (2013, as amended from time to time).

It is expected that bidding for the EPC contract will commence in Q3 2016.

Executing Agency: Open Joint Stock Electric Power Plants, Office 525
326 Jibek Jolu Avenue, Bishkek, Kyrgyz Republic
Fax: +996 312 662054

MALDIVES

Kulhudhuffushi Harbor Expansion Project

Brief Project Description: The Government of Maldives has applied for a grant from the Asian Development Bank (ADB) for the Kulhudhuffushi Harbor Expansion Project (the project). The project is expected to improve connectivity and access to socio-economic activities in the Northern Region. The project involves the construction of a passenger and cargo harbor and its ancillary facilities, stretching over 667 m along of the reclaimed area of the Kulhudhuffushi Island.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: The implementing agency for this project is the Ministry of Housing and Infrastructure. The Government intends to apply a portion of proceeds to engage a firm of international consultants as the Project Management Consultant, to support the implementing agency in the following activities:

- (a) overall project management;
- (b) detailed engineering design of the harbor and its ancillary facilities;
- (c) procurement of the civil works and equipment;
- (d) supervision and administration of civil works and equipment, and
- (e) project performance and safeguard compliance monitoring.

It is expected that the recruitment process for project management consultants will commence in Q1 2016. Interested bidders from ADB member countries who wish to obtain additional information may contact the above mentioned officer.

Executing Agency: Government of Maldives through the Ministry of Housing and Infrastructure (MHI)
Contact Person: Ms. Fathimath Shaana Farooq, Director General

PAPUA NEW GUINEA

A. Highlands Region Road Improvement Investment Program – Project 3

Brief Project Description: The Highland Region Road Improvement Investment Program (the Investment Program) focuses on the Highlands core road network (HCRN) 1 of 2,500 kilometers (km) of major national and some provincial roads, which carry the bulk of the traffic in the region. The Investment Program includes: (i) projects to improve about 1,400 km of the HCRN, to be funded through four or more tranches under this multi-tranche financing facility (MFF); (ii) design and supervision of road improvement works, preparation and administration of long-term road maintenance contracts for the entire 2,500 km of the HCRN, and capacity development of road agencies; and (iii) monitoring the socioeconomic benefits of the improved and maintained roads in the Highlands region.

The proposed Tranche/Project 3 continues, from Project 1 and Project 2, to (i) improve the 113.5 km of priority national roads identified in the National Transport Strategy 2014-2030 of the Highlands Core Road Network with design considerations for all road users including pedestrians and public motor vehicles; (ii) maintenance arrangements for 500 km of the HCRN; (iii) improved capacity of the NRA to plan and manage long-term road maintenance contracts; (iv) more efficient DOW capable of implementing and delivering road improvements with attention to safeguards capacity, an improved asset management system of the HCRN and consulting support to pilot community-based road maintenance; (v) improved road safety capacity of the National Road Safety Council; and (vi) piloting community labor-based road maintenance (periodic and minor repairs) through performance-based contract.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured and Retroactive Financing: ADB has approved the Government's request for advance contracting to expedite project implementation. Advance contracting includes four civil works packages through international competitive bidding. The proposed civil works packages are for: (i) Gewa-Gembogl, (ii) Nipa Munihi, (iii) Pangia Wiru-Loop, and (iv) Henganofi-Nupuru.

Executing agency: Department of Works
Mr. David Wereh, Secretary
Boroko, NCD, Papua New Guinea
Tel.: +675 321 1114; Fax: +675 324 1102; E-mail: dwereh@works.gov.pg

B. Civil Aviation Development Investment Program – Project 3

Brief Project Description: The objective of the Civil Aviation Development Investment Program (CADIP) is to achieve compliance with International Civil Aviation Organization (ICAO) safety and security standards and assist in the development and implementation of civil aviation sector wide policy initiatives. The program components include; (i) airport infrastructure improvements, (ii) upgrading of communication, navigation and surveillance equipment (iii) institutional capacity strengthening and implementation of civil aviation sector policies, and (iv) design and construction supervision consultancies.

The proposed Tranche/Project 3 continues, from Project 1 and Project 2, to improve the 21 national airports in the country. The outcome will be safer, more efficient, and more accessible all-weather air transport services in the project areas.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: ADB has approved the Governments request for advance contracting to expedite project implementation. Advance contracting includes two works through international competitive bidding. These are: (i) The Aircraft Pavement Upgrading, New Terminal Building, Airport Security Fencing and Associated Works at Momote Airport, Manus Province, and (ii) The Aircraft Pavement Upgrading, New Air Traffic Control Tower and Associated Works at Mt. Hagen Airport, Western Highlands Province), Papua New Guinea

VIETNAM

A. Greater Mekong Subregion Ben Luc – Long Thanh Expressway Project (Tranche 2) – Package A5

Brief Project Description: The Project constructs a 57.1 km expressway between Ben Luc and Long Thanh in the south of Ho Chi Minh City (HCMC), which is a short link of the Greater Mekong Subregion (GMS) Southern Economic Corridor. The project expressway is divided into a western section (21.14 km), a middle section (10.71 km), and an eastern section (25.25 km).

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: Package A5: civil works (Km32+450-Km35+900).

Major contract components of the civil works on the project include the following:

- Access road construction / improvement
- Soft ground treatment by installation of PVDs up to 10m depth
- Embankment construction
- Bored cast-in-situ pile construction 1 to 1.5m diameter, length up to 70m
- Superstructure super tee girder with 40m span
- Superstructure PC concrete box girder with 90m span
- Reinforced concrete box culverts for drainage and crossings
- Longitudinal and cross drainage
- Asphalt treated base course
- Asphaltic concrete pavement
- Crash barriers, signage, road markings
- Environmental mitigation measures such as vegetation or hard noise barriers

Executing Agency: Vietnam Expressway Corporation (VEC)
Address: 4th floor, MITEC-VEC Building, Lot E2, Cau Giay New Urban Area, Hanoi.
Contact Person: Mr. Mai Tuan Anh, General Director
E-mail(s): duongcaotoc@tctvec.vn; hungvec@gmail.com

B. Greater Mekong Subregion Ben Luc – Long Thanh Expressway Project (Tranche 2) – Package A6

Brief Project Description: The Project constructs a 57.1 km expressway between Ben Luc and Long Thanh in the south of Ho Chi Minh City (HCMC), which is a short link of the Greater Mekong Subregion (GMS) Southern Economic Corridor. The project expressway is divided into a western section (21.14 km), a middle section (10.71 km), and an eastern section (25.25 km). For the expressway construction, ADB finances the western and eastern sections, and Japan International Cooperation Agency (JICA) finances the middle section. The project was estimated to cost \$1.608 billion at appraisal, inclusive of local taxes, contingencies, and financing charges during development. Tranche 2 in the amount of \$286 million will cover construction of the eastern section of the expressway.

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: Package A6: Civil Works (Km 35+900 – Km 52+400)

Major contract components of the civil works on the project include the following:

- Access road construction / improvement
- Soft ground treatment by installation of PVDs up to 10m depth
- Embankment construction
- Bored cast-in-situ pile construction 1 to 1.5m diameter, length up to 70m
- Superstructure super tee girder with 40m span
- Reinforced concrete box culverts for drainage and crossings
- Longitudinal and cross drainage
- Asphalt treated base course
- Asphaltic concrete pavement
- Crash barriers, signage, road markings
- Environmental mitigation measures such as vegetation or hard noise barriers.
- Interchange construction.
- Toll plazas at each interchange.
- Service areas including parking, landscaping, lighting, toilets and utilities.

Executing Agency: Vietnam Expressway Corporation (VEC)

Address: 4th floor, MITEC-VEC Building, Lot E2, Cau Giay New Urban Area, Hanoi.

C. Greater Mekong Subregion Ben Luc – Long Thanh Expressway Project (Tranche 2) – Package A7

Brief Project Description: The Project constructs a 57.1 km expressway between Ben Luc and Long Thanh in the south of Ho Chi Minh City (HCMC), which is a short link of the Greater Mekong Subregion (GMS) Southern Economic Corridor. The project expressway is divided into a western section (21.14 km), a middle section (10.71 km), and an eastern section (25.25 km).

Brief Description of Goods and Related Services, Works or Consulting Services to be procured: Package A7: Civil Works (Km 52+400 – Km 57+700)

Major contract components of the civil works on the project include the following:

- Access road construction / improvement
- Soft ground treatment by installation of PVDs up to 20m depth
- Embankment construction
- Bored cast-in-situ pile construction 1 to 1.5m diameter, length up to 70m

- Superstructure super tee girder with 40m span
- Superstructure PC concrete box girder with 90m span
- Reinforced concrete box culverts for drainage and crossings
- Longitudinal and cross drainage
- Asphalt treated base course
- Asphaltic concrete pavement
- Crash barriers, signage, road markings
- Environmental mitigation measures such as vegetation or hard noise barriers
- Interchange construction

C. Coastal Towns Environmental Infrastructure Project [e-GP/CTEIP/2015-16/BHO/CS-01: Construction of 2 nos. Two Multipurpose Cyclone Shelters at Bhola Pourashava, District: Bhola]

Loan No.: 3133-BAN (SF)/ 8284-BAN (SCF)/ Grant No.: 0394-BAN (SCF)

Contract No. and Title: e-GP/CTEIP/2015-16/BHO/CS-01: Construction of 2 nos. Two Multipurpose Cyclone Shelters at Bhola Pourashava, District: Bhola

Deadline for Submission of Bids: **10 May 2016** at 13:00 hours Bangladesh Standard Time.

The Bhola Pourashava, District: Bhola, (Employer) invites bids/tenders from eligible bidders for the construction of 2 nos. Two Multipurpose Cyclone Shelters, at Bhola Pourashava (Works).

Only eligible bidders with the following key qualifications should participate in this bidding:

- Specific Similar Experience: at least one contract within the last five years where the value of the Bidder's participation exceeds BDT 59.60 million.
- Average Annual Construction Turnover: minimum BDT 74.50 million over the last five years
- Liquid Assets or Credit Facilities: minimum BDT 10.00 million

This is an online bidding where only e-Tender (e-bid) will be accepted in the Bangladesh National e-GP System Portal and no offline/hard copies will be accepted. To obtain further information and to submit e-Tender for this works package bearing e-tender ID no.53263, registration in the e-GP portal (<http://www.eprocure.gov.bd>) is required.

Contact: Md. Zasim Uddin Arzu, Executive Engineer

Bhola Pourashava, Bhola

D. Greater Dhaka Sustainable Urban Transport Project [GDSUTP/BRT Gazipur-Airport/PDPM/LGED/ICB/WP-02]

Loan Nos.: 2862/2863/2864-BAN

Contract No. and Title: GDSUTP/BRT Gazipur-Airport/PDPM/LGED/ICB/WP-02 Construction of Pavement, Drainage Facilities, Pedestrian Facilities and Local Markets on Both Sides of BRT Corridor
Deadline for Submission of Bids: **5 June 2016**, 3:00 pm (Local Time)

Local Government Engineering Department (LGED) (Employer) invites sealed bids form eligible bidders for the Construction of Pavement, Drain, Pedestrian Facilities and Local Markets on Both Sides of BRT Corridor”(Works) which includes, but is not limited to the following:

- Road pavement;
- Drainage facilities;
- Pedestrian facilities; and
- Local markets

Time for completion of the works from the commencement date will be 18 months.

Only eligible bidders with the following key qualifications should participate in the bidding:

- Have a minimum average annual construction turnover of US \$15 million calculated as total certified payments received for contracts in progress or completed, within the last five years;
- Participation in at least one contract that has been successfully or substantially completed within the last five years and that is similar to the proposed works (construction of road/highway pavement), where the value of the Bidder’s participation exceeds US \$10 million.
- For any contract executed within the last five years, a minimum construction experience in the following key activities:
 - a) Construction of 4,000 m³ cement concrete pavement (rigid pavement) in a single contract;
 - b) Construction of 100,000 m² 40 mm thick dense bituminous pavement including aggregate sub-base, aggregate base course in a single contract.;
 - c) Construction of rectangular RCC/brick masonry drain of at least 2 km in a single contract.
- Must meet all eligibility and qualification criteria in the bidding document.

WDZC-SPTYWPL23-(K) LSZH internal shield digital signal cable 21B	1236.08	hundred meters
WDZC-SPTYWPL23-(K) LSZH internal shield digital signal cable 24B	742.78	hundred meters
WDZC-SPTYWPL23-(K) LSZH internal shield digital signal cable 28B	1687.91	hundred meters

Main Qualification:

(a) Size of Operation: The bidder must demonstrate a minimum annual turnover over the past 3 years (2012-2014): Lot 401: USD 3,800,000.00 equivalent; Lot 402: USD 6,500,000.00 equivalent; Lot 403: USD 15,000,000.00 equivalent; Lot 404: USD 4,500,000.00 equivalent; Lot 405: USD 13,500,000.00 equivalent.

(b) Contractual Experience: Bidder as main supplier must have successfully completed at least one (1) contract for supply of similar equipment since 2010. The contract value must be not less than: Lot 401: USD 1,600,000.00 equivalent; Lot 402: USD 2,800,000.00 equivalent; Lot 403: USD 6,500,000.00 equivalent; Lot 404: USD 1,900,000.00 equivalent; Lot 405: USD 5,800,000.00 equivalent.

(c) Technical Experience: Bidder shall demonstrate that the bidder meets the requirement of minimum supply quantity of goods required as presented below, which have been in satisfactory in operation on the railway main line with a design speed of 200 km per hour (included) or above for at least one year:

- Lot 401: Intelligent Power Supply Panel for Signal with 55KVA used for main line≥2 sets;
- Lot 402: Computer Interlocking Equipment (2×2 take 2 redundant structure) used for main line≥2 sets;
- Lot 403: Train Control Center used for main line≥2 sets, LEU used for main line≥2 sets;
- Lot 404: Active transponder used for main line≥28 sets, Passive transponder used for main line≥150 sets;
- Lot 405: PTYA23 signal cable used for main line≥100 hundred meters, SPTYWL23-(K) digital cable signal used for main line≥80 hundred meters, SPTYWPL23-(K) internal shield digital signal used for main line≥100 hundred meters, LSZH signal cable with WDZC type used for main line≥100 hundred meters . Other detailed requirements can be found in Section 3 of the Bidding Document.

F. Inner Mongolia Autonomous Region Environment Improvement Project (Phase II) [Bid No.: 0703-1620CIC5Y101 Hohhot District Heating Supply Subproject]

Loan No.: 2658-PRC

Contract No. and Title: Bid No.: 0703-1620CIC5Y101 Hohhot District Heating Supply Subproject

Deadline for Submission of Bids: **19 May 2016**; 10:00 hours (Beijing Time)

Instrimpex International Tendering Co., Ltd. (the Procurement agent, CNIITC), authorized by and on behalf of Hohhot Futai Heating Supply Co., Ltd. of Inner Mongolia, now invites sealed bids from eligible bidders for the supply of:

- Lot 7: Valve Equipment (Contract No.: HHHT-EP-07)
- Lot 8: Heat Exchange Unit and Control Equipment (Contract No.: HHHT-EP-08)
- Lot 9: Prefabricated Insulation Pipe, Pipe Fitting and Steel Equipment (Contract No.: HHHT-EP-09)

Only eligible bidders with the following key qualifications should participate in this bidding:

(a) The bidder should have minimum average annual turnover over the last 3 years of at least (Lot 7: CNY 53 million; Lot 8: CNY 63 million; Lot 9: CNY 50 million) calculated as total payments received by the bidder for contracts completed or under execution;

(b) The bidder should have availability of or access to liquid assets, lines of credit, and other finances sufficient to meet cash flow requirement which is (Lot 7: CNY 19 Million, Lot 8: CNY 22 Million, Lot 9: CNY 18 Million)

(c) The bidder should have completed as main supplier within the last 3 years of at least 2 contracts for each lot with the following values:

- Lot 7: CNY 29 Million
- Lot 8: CNY 34 Million
- Lot 9: CNY 27 Million.

The nature and complexity of these contracts should be similar to the scope of supply for each lot described in Section 6 (Schedule of Supply).

Submitting Expressions of Interest

Consultant selection for technical assistance grants are based on the consultant's prior Expression of Interest (EOI). A good EOI should reflect the firm's experience and expertise in relation to the ADB project being pursued. It is important for a U.S. firm to emphasize this, or similar project experience in the country or in a similar geographic area rather than state a general profile of its consulting activities. When submitting an EOI, the project name should exactly match the one listed in this report to avoid confusion. Each project requires a separate EOI.

An EOI should be submitted on-line through the ADB website at https://uxdmz06.adb.org/OA_HTML/adb/adbpos/jsp/ADBCMSLogin.jsp.

Registering Consulting Firms and/or Individual Consultants

The ADB consultants registration system has been revised into a new and integrated system called **Consultant Management System (CMS)** for both consulting firms and individuals.

Records should be updated at least once a year; otherwise, inactive profiles will be de-activated and excluded from consultants' searches.

Visit www.adb.org/Consulting/cms.asp for more information.

U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB) and the U.S. Executive Directors to the ADB Office (USED)

U.S. firms are encouraged to keep in contact with the **U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB)** especially when they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director to the ADB (USED) to increase American awareness of, and participation in, the ADB's procurement activities.

For CS ADB assistance, please contact: Ms. Margaret Keshishian, Director (E-mail: Margaret.Keshishian@trade.gov)

U.S. firms may also notify their interest to pursue ADB business opportunities by sending a copy of their Expressions of Interest (EOI) to CS ADB to either of the following addresses:

U.S. mailing address:

Attention: CS/ADB
Unit 8600, Box 1565
DPO AP 96515-1565,

or international mailing address:

U.S. Embassy – NOX 2
1201 Roxas Boulevard,
Ermita, Manila 1000
Philippines
Phone: (63-2) 516 5093; Fax: (63-2) 516 6958
E-mail: Office.ManilaADB@trade.gov

For More Information

The U.S. Commercial Service Liaison Office to the Asian Development Bank, located in Makati City, Philippines can be contacted via e-mail at: Office.ManilaADB@trade.gov; Phone: 632 301 2000; Fax: 632 516 6958; or visit our website: <http://export.gov/adb>.
