

Panel Discussion on Benefits of the Convention on Supplementary Compensation for Nuclear Damage (CSC)

Event Overview

The U.S. Department of Commerce is pleased to host a networking event and panel discussion where attendees can discuss the benefits of the Convention on Supplementary Compensation for Nuclear Damage (CSC) and how countries can join the CSC with representatives of CSC countries. Attendees will also network with senior executives from U.S. civil nuclear companies and learn about how U.S. industry can help countries develop their civil nuclear programs. Coffee and light refreshments will be provided.

Highlights

- Meet U.S. civil nuclear industry executives from 30 U.S. companies across the supply chain
- Learn about the benefits of the Convention on Supplementary Compensation for Nuclear Damage (CSC) and the importance of a global nuclear liability regime

Agenda

- 10:00-10:30 a.m. Networking with U.S. civil nuclear companies, U.S. Government officials, and representatives from CSC member countries
- 10:30-12:00 p.m. Panel Discussion on CSC

Participants

- Chandra Brown, Deputy Assistant Secretary for Manufacturing, U.S. Department of Commerce
- Michael Wautlet, Director for Nuclear Energy Policy, White House National Security Council
- Steve McIntosh, Chairman, International Expert Group on Nuclear Liability (INLEX)
- Wolfram Tonhauser, Section Head, Nuclear Treaty and Law Section, Office of Legal Affairs, IAEA
- Representatives from CSC member countries
