

Meet with the U.S. Commercial Service at BIO 2016 International Convention

Explore Global Biotech Markets

The U.S. Commercial Service invites U.S. companies and EDOs to register to meet one-on-one with Biotech/Life Science Industry Specialists from our overseas U.S. Embassies and Consulates.

You will be briefed on individual market opportunities related to the biotech/life science sector, market potential for your products and services, and gain insight into specific countries from active overseas industry specialists. All one-on-one meetings will last about 20 minutes either at your booth or the International Lounge.

Meet with Industry Specialists

Specialists representing the following markets are tentatively scheduled to participate at BIO 2016 (List may change):

Brazil	China	Japan	Korea	Taiwan
Germany	Finland	Norway	Sweden	Turkey
Portugal	Saudi Arabia			

Advanced Registration Required

These complimentary appointments are available on a first-come, first-serve basis and the schedule fills up quickly!

The U.S. Commercial Service is a federal organization that assists U.S. companies with exporting to global markets.

Register Now! Meetings are limited.
