

# Be Our V.I.P Guest at the International Franchise Expo

## ONE VIBRANT CITY. ONE GLOBAL EXPO. YOUR FUTURE.

The **24th annual International Franchise Expo** (IFE) is the world's favorite exhibition for bringing together established and new franchise brands, and matching them to people like you who have an interest in developing your own franchise at home!

At the IFE, you will find more than 400 exhibiting brands and visitors from more than 96 countries! But you will feel right at home as we go out of our way to accommodate you and meet your needs while you stay in New York City.

Here's what you can expect during your visit . . .

- See hundreds of exhibiting franchise brands from across the USA and around the world. Check out the 2015 Exhibitor List at [www.IFEinfo.com](http://www.IFEinfo.com). Many of these exciting brands want to expand into your country or market, and they are seeking a Master Franchisee. Could that be you?
- Get answers to your questions about franchising. More than 70+ seminars and symposia, and most are free! See Conference schedule on our website.
- Meet the Exhibitors in person for private conversations.
- Join us for an exciting night on our International Reception Cruise aboard the World Yacht on **Thursday, June 18**. View the Landmarks of New York - the Statue of Liberty, Ellis Island and the iconic skyline.
- Register now at [www.IFEinfo.com](http://www.IFEinfo.com) by clicking on "Register Now To Attend". Use the promo code **DELEGATE** and your registration is free!
- Plan to spend time in our International Delegates Lounge with visitors from some of the other 90 countries that come to IFE!

**If you would like to invite others you feel would benefit from attending, please forward this email to them and they can register as your guest.**
