

## Networking with Your International Business Community

# Meet the New Jersey District Export Council

*Guest Speaker – U.S. Minister Counselor for Canada, Mr. Richard Steffens*

### Join Us

The U.S. Commercial Service in collaboration with the New Jersey District Export Council and Sobel & Co. LLC., presents our first international exporting networking event. Come mingle with the New Jersey export Community. Build relationships with new and seasoned exporters, and meet with solution providers to discuss your current challenges. This networking event will provide an informal platform to connect with international business experts in your community.

**Who should attend:** Presidents, Vice Presidents, Traffic Managers, Export Managers, and Compliance Managers.

### Highlights:

- Guest Speaker – U.S. Minister Counselor for Canada, Mr. Richard Steffens
- Meet the local District Export Council Members to find out how they can assist making your exports more successful
- Connect and build relationships with peers
- Share best practices amongst exporters and service providers
- Receive on the spot guidance from solution driven service providers
- Meet local, state, and federal agencies related to exporting
- Meet trade professionals in the logistics, finance, distributorship and legal sectors
