Automated Export System Seminar

Provide accurate data and avoid costly penalties and seizures

How well do you know the Foreign Trade Regulations (FTR) and the Automated Export System (AES)? Do you have a transition plan to the ACE platform? Do you understand how to classify your commodities?

This export compliance seminar is a one- day program bringing together experts from the Department of Commerce to provide training on export filing requirements. All those involved in the export process such as **U.S. Principal Parties in Interest including Manufactures and Suppliers, Export Compliance Managers, Freight Forwarders, Exporting Carriers, Consolidators, U.S. Customs Brokers, and Compliance Software Providers** should plan to attend this invaluable event.

Seminar Highlights:

- ✓ Regulations/filing requirements of the FTR
- ✓ How to avoid common penalties and seizure of cargo
- ✓ AESDirect transition to Automated Commercial Environment (ACE), including a live demo
- ✓ How to classify your product by Schedule B number and Export Control Classification Number (ECCN)
- ✓ BIS export control requirements
- ✓ Export enforcement
- ✓ Identifying red flags
- ✓ Best practices for maintaining compliance
