

YOU'RE INVITED to a:

LUNCH & LEARN

International Commerce

Useful Strategic Elements for successful Import and Export Trade

International trade presents opportunities that would normally provide your company with higher margins. Whether you enter into the international business world almost by accident or by design, your company will benefit by listening to some industry specialists in the area of:

- How to get paid for your exports
- Insuring your foreign receivables
- Currency exchange
- Government sponsored export working capital guarantee programs
- U.S. Department of Commerce service resources as part of your market entry strategy

Guest Speaker:

Federico Manno

VP/International Banking Services, Fulton International Group

Time:

Thursday, April 14th

11:30am - 1:30pm

Lunch will be served
