

Business Opportunities in Central America Webinar Series

The [Business Opportunities in Central America Webinar Series](#) will provide valuable insights for new and experienced exporters to gain knowledge of export opportunities in this dynamic region. Companies will learn about best prospects, legal considerations, global logistics, export financing, eCommerce, leveraging CAFTA-DR, and export tax incentives in seven countries in Central America and in the DR. Participants will also understand the cultural differences, economic conditions, and technological capabilities of potential partners.
