INTERNATIONAL HOSPITAL DEVELOPMENT TRENDS

Duxton Hotel Saigon, 63 Nguyen Hue Boulevard, District 1, Ho Chi Minh City, Vietnam

Thursday, April 14, 2016

The U.S. Commercial Service in Vietnam, in cooperation with the Ho Chi Minh City Department of Health, is organizing an international hospital development trends seminar.

Participating in this seminar will allow your companies the opportunity to meet directly with relevant Department of Health officials and hospital administrators to hear first-hand about the upcoming hospital projects and how to best position themselves for the procurements.

- Hear first-hand about the upcoming hospital projects from HCMC Department of Health and hospital administrators.
- Establish and develop a direct relationship with high-level contacts from HCMC Department of Health and hospitals.
- Optional site visit to a Military Hospital 175 (MH175) who is interested in finding U.S. partners and products.

Seminar Registration

1. Sponsorship of US\$2,000/company

Benefits include:

- Logo on the backdrop
- Company feature on handout
- Seat at head table at lunch
- Recognition in welcome remarks
- Company-provided standee banner
- Prominent position for display table

2. Participation fee of US\$500/company

Benefits include:

- Participation of two company representatives
- Display table
- Networking lunch
- Company details in handout
