## Aviation Technologies and Services Seminar

Thursday April 28th, 2016  
Novotel Danang, Da Nang City

The U.S. Commercial Service in Vietnam, in cooperation with Saigon Technologies, Inc. (Techgel), is organizing a seminar in Danang to promote U.S. aviation technologies, equipment, design and engineering to aviation leaders in Vietnam.

- Hear first-hand about Vietnam's aviation master plan, and upcoming airport development projects
- Establish and develop a direct relationship with high-level officials from Civil Aviation Authority of Vietnam (CAAV) and Airports Corporation of Vietnam (ACV) and private Vietnamese companies

### Registration
