

Green Building Forum for 2022 Beijing Winter Olympic Games

January 16-18, 2018 Beijing-Zhangjiakou (Chongli)

Greetings from China!

The U.S. Commercial Service Beijing is pleased to invite U.S. firms to participate in the Green Building Forum for the 2022 Beijing Winter Olympic Games on January 16-18, 2018 in Beijing and Zhangjiakou (ChongLi), China.

According to the Beijing Organizing Committee, the 2022 Beijing Winter Olympic Games will require to build three new Olympic villages and a new speed skating venue in Beijing, Yanqing and Zhangjiakou cities. There will be 25 sport venues; some will require retrofitting, some will be new construction. All will need to meet 3-Star/LEED standards.

CS Beijing will work with the Department of Planning, Construction and Sustainability of the Beijing Organizing Committee and will invite the sports venue owners to this event, giving you the chance to reach decision-makers.

We look forward to hearing from you before Dec. 22th, 2017. Selections will be made on a first come, first served basis. We hope to see you there.

Sincerely,

Cynthia Griffin
Minister-Counselor for Commercial Affairs
