

U.S. Consulates General Wuhan and Guangzhou Proudly Present: Ezhou Airport Construction Seminar

Ezhou, China, 6 July 2018

Explore opportunities to expand your sales into this newly approved Ezhou Airport project in Hubei Province. Join the U.S. Commercial Service (CS) China team on July 6, 2018 as we introduce U.S. aviation firms to key decision makers.

About this Opportunity:

- Plans for this major cargo airport **have recently been approved** by the State Council, China’s cabinet; construction will begin soon!
- This airport is a joint venture between China’s **largest privately-owned logistics company**, SF Express and Hubei Provincial Government.
- This airport will have annual throughput capacity of more than 2.45 million tons, **making it the 4th largest cargo airport in the world by 2025.**
- The airport’s central location means **95% of China’s GDP is less than a two-hour flight away.**
- Total investment will reach USD 5.8 billion, including **USD 2.9 billion allotted for airport construction.**

July 6 Program agenda:

- Morning session with:
 - ✓ Ezhou Government
 - ✓ Ezhou Airport Group
 - ✓ SF Express executives
- Company presentations
- Networking Luncheon
- Afternoon Site-Visit

Deadline for registration is June 10, 2018! We look forward to your participation!
