

Water Delegation to India February 9-15, 2020

Envirotech Executive Service - New Delhi, Ahmedabad & Chennai

The United States Department of Commerce, International Trade Administration is pleased to announce the opportunity for U.S. companies to join the **Envirotech Executive Service - Water Delegation to India**.

The Envirotech Executive Service - Water Delegation

Water and wastewater management are the most promising sub-sectors of the environment technologies industry in India for U.S. exporters. This mission to India will:

- introduce potential partners in the Indian water and wastewater markets;
- help participants learn about relevant policies, procedures and opportunities in India's water industry;
- provide business to business matchmaking appointments with private sector organizations and government agencies;
- attend the Water Expo 2020 (www.waterexpo.biz) and customized program in Chennai.

Delegates also have an option to sign up for a spin-off Gold Key Service (GKS) in Mumbai or Hyderabad.

Delegates will benefit from:

- U.S. Commercial Service Gold Key Service Matchmaking (one-on-one meetings) in New Delhi, Ahmedabad and Chennai
- Local Ground Transportation in all three locations
- Country/Industry Briefings by U.S. Embassy/Consulate industry specialists in each location
- Customized program at Water Expo 2020 trade show in Chennai
- Site visits and a networking reception
